

WELCOME TO BELARUS!

DUDUTKI

Country excursion to Museum of Old Folk Crafts and Technologies “Dudutki”

At a distance of 40 kilometers from Minsk Museum of material culture «Dudutki» is waiting for you on the picturesque bank of the Ptich river. You can visit a real windmill. In miller's house you will be offered food. A skillful master of pottery will demonstrate his skills. In a rural bakery you will taste the home bread and kvass. The secrets of cooking domestic cheeses will be disclosed to you in dairy.

Car-fanciers will receive special pleasure; here they will find the interesting collection of antique cars: HANOMAG, HORCH, Willis, Topolino, “ZIM”, “Chaika”, “GAZ-67”, “Moskvich”, “Amphibiya”. Horse routes wait for riding lovers.

Exclusive!

In a rural bakery, which is a very comfortable country-style inn, you will both taste the hot bread baked right in front of you, and take part in a magic act "The Creation of bread." At your desire we can organize a separate one or two cabs trip of any duration with a picnic on a forest glade for you. Log bathhouse on "Pagan glade" will meet you with excellent steam, fragrant broom, beer, fish soup and crayfishes.

You will have an interesting and fascinating time. You will plunge into the atmosphere of Belarusian province of the XIX century, see the way of rural life, comprehend the meaning and mystery of ancient crafts.

The excursion program will be organized according to the advanced order (group size is from 4 persons and over). It includes:
