

## **Check-in desks**

Check-in desks are located on the 3<sup>rd</sup> floor of the air terminal complex.

To check in you need to have:

- Passport;
- Ticket.

To check in with an E-ticket at the airport you should have your valid passport only.

An itinerary receipt is issued as a confirmation of E-Ticket purchase. It is not obligatory document for check-in.

Note! If you fly abroad, you'll need your flight confirmation during the passport control to confirm the availability of a return ticket or your further route. You'd better print it out and have it with you as the confirmation may be requested by aviation security staff at the airport.
